Product description

The Locator multirail extra system is also internationally patented as are all rails within this range. The rail has the capability to hold up to 45kgs per lineal meter and will suit any environment with a square-set ceiling or shadow-line (P60/P50) from a domestic display through to a thriving gallery.

Applications

The Locator multirail extra has an extended face which gives the user the ability to install the system tight to the ceiling.

Features

- Aluminium rail
- Dimensions: 11mm (D) x 38mm (H)
